# Secure, clean, and affordable energy for Africa

Date: 4 June 2024 10-12 CEST

Platform: Zoom Webinars

## Description:

We invite you to a joint webinar featuring Reffect Africa, ENERGICA, SteamBioAfrica, SophiA, and SESA. These 5 Horizon Europe funded projects are collaborating to bring attention to the European-African collaboration towards advancing renewable and sustainable energy solutions across rural Africa.

Through this webinar, attendees will have the opportunity to learn about innovative strategies and state-of-the-art technologies being developed by the projects. Engage with the projects through a Q&A session, share insights, and be part of a vital dialogue on fostering sustainable energy access across Africa. Don't miss this chance to contribute to a sustainable future for all.
